

## SAVE THE DATE

Third Annual  
**Grundy County  
Growth Conference**  
**Friday, November 21, 2008**

8:00 am to 12:30 pm  
First Christian Church  
455 W. Southmor, Morris

### **“Road Networks”**

#### Draft Agenda

- Opening Session: Major regional roads update — Rick Powell, IDOT
- Breakout session 1: bike trails — Ed Barsotti, League of IL Bicyclists
- Breakout session 2: railroad traffic — Eric Pitcher from BNSF and Mike Stead, Head of the Railroad Safety Division at the Illinois Commerce Commission
- Breakout session 3: transportation planning for townships and municipalities — Dan Draper of Chamlin & Associates
- Breakout session 4: planning for intermodals – Jason Anderson, Rochelle Economic Development Director, a rep from the Will County Land Use Department, and Rob Adams of TranSystems Corporation
- Wrap-up session: Comprehensive Transportation Plans – Lou Hausmann of Baxter & Woodman; also a panel discussion with all presenters

The purpose and goal of the GC2 is to educate elected and appointed planning officials on comprehensive transportation planning strategies and implementation.

Sponsorships are available by contacting 815-941-0852  
or [julie@cfgrundycounty.com](mailto:julie@cfgrundycounty.com)

GC2 is a project of the Community Foundation of Grundy County (formerly the Morris Community Foundation) as part of our “CommunityWorks” initiative to address the issues of early childhood care & education, workforce development, and land use & protection in Grundy County.
